Housing will be provided to workers only. No person who is not an employee and has not been assigned housing will be permitted to occupy the housing.

Workers occupying the housing will be responsible for maintaining the housing and their living quarters in a neat, clean manner and in compliance with Work Rules which will be provided upon hiring and are attached hereto and incorporated by reference in this Application. Failure to comply with these rules will result in disciplinary action as described in the Work Rules. Reasonable repair costs of damage other than that caused by normal wear and tear will be deducted from the earnings of workers found to have been responsible for willful or negligent damage to housing or furnishings. Workers will assign to employer-provided housing by a designated company manager and must occupy the quarters assigned to them. Women workers will be provided with sleeping facilities shared with other female workers and segregated toilet facilities. Dining and other common area will be shared or separate cooking facilities will be provided.

Employer's agent agrees to interview all US workers referred by the State Employment Services, local or by supply states who have been screened by such employment services for:

1. Availability for entire season
2. Have transportation to job site
3. Have been fully apprised by the local employment office of the terms, conditions and nature of employment

Item 7 Number/Type of Workers

Workers must possess documentation required to enable employer to comply with the employment verification requirements of IRCA. Accurate completion of Form I-9 will be required of each worker within (3) days of employment pursuant to U.S. law. All workers hired under this job order must demonstrate eligibility to work legally in the U.S. Refer to the back of Form I-9 for documents acceptable for purposes of establishing employment eligibility. After hiring, employer may verify legitimacy of social security numbers through Employment Verification System (EVS) for workers who have not been employed by him in previous years.

Workers should bring with them documents verifying their legal right to work in the U.S. at the time of employment. Valid eligibility documents will be necessary to complete payroll tax withholding and I-9 forms.

Item 8. Work Week

The work day is from 7:00 AM until 3:00 PM Monday through Friday and 7:00 AM until 12 noon on Saturday, with an unpaid lunch break (7 hours/day and 5/day on Saturday). The worker may be requested, but not required, to work as much as 12 hours per day and/or on the Sabbath, depending on weather and other conditions. Extreme heat, cold or drought may affect working hours. Employer will offer 40 hours/week, weather and crop conditions permitting. Worker will report to work at designated time and place as directed by employer each day.

Item 10. Job Specifications

Jobs offered are work on a vineyard handling both manual and machine tasks associated with commodity production and harvest activities. Workers must be able to perform manual as well as mechanized activities with accuracy and efficiency.

Work is to be done in the field for long periods of time. Workers are expected to perform duties including boxing, weighing and loading of produce. Workers may assist in loading trucks with packaged produce weighing from 60 to 70 pounds and lifting to a height of 5 feet.

In addition, workers may be required to perform variable tasks relating to produce production such as the following: irrigation, ditching, shoveling, hoeing, hauling, ground preparation, weeding and other tasks related to general farming.

Work may also include mechanized field work using power equipment. By way of example and not limitation power equipment may include tractors, planters, sprayers, cultivators and other equipment. Workers will be expected to be able to operate agricultural equipment with or without direction.

Workers should be able to work on their feet in bent positions for long periods of time. Allergies to ragweed, goldenrod, insect spray, related chemicals, etc. may affect workers' ability to perform the job. Workers should be physically able to do the work required with or without reasonable accommodations.

Workers are exposed to wet weather early in the morning through the heat of the day, working in fields. Temperatures may range from 10 to 100 F. Workers may be required to work during occasional showers not severe enough to stop field operations.

Employer assures that workers will be provided transportation from living quarters to work site every day (for workers who must be provided housing.)

Employer will accept any worker or workers who are capable of performing the work. Employer is willing to train workers for a period not to exceed 3 days (24 working hours). Persons seeking employment under the provisions of this job order should be available for the entire period requested by the employer. All terms and conditions included in the job order will apply equally to all workers, domestic and foreign, specifically employed according to the provisions of this job order.

Employer retains the right to discharge an obviously unqualified worker, malingerer or recalcitrant worker who is physically able but does not demonstrate the willingness to perform the work necessary for the employer to grow a premium quality product. (See also Attachment 2, General Conditions).

All terms and conditions included in the job order will apply equally to all workers, domestic and foreign, employed under this job order.

Item 11. Wage Rates/Pay Information

Workers are paid weekly. All general production work provided in this job order will be paid by the hour the current AEW of \$8.51/hour, or at the prevailing wage rate as determined by the Virginia Employment Commission, or the legal federal or state minimum wage rate, whichever is highest. In the event the DOL promulgates a new AEW during the recruitment or contract period which is lower than the AEW in effect at time of application, this lower AEW becomes the guarantee at the discretion of the employer unless there is a prevailing hourly rate higher than the new AEW.

The employer guarantees to offer the workers employment for at least $\frac{3}{4}$ of the work days of the total period during which the work order and all extensions thereof are in effect, beginning with the first work day after the arrival of the workers at the place of employment and ending on the termination date specified in the work order or its extension, if any. If the employer offers the worker during such period less employment than required under this provision, the worker will be paid the amount he/she would have earned had he/she, in fact, worked for the guaranteed number of days. Employee will perform other duties related to this/these crop activities and other tasks required in operating a farm.

If, before the expiration date specified in the work order, the service of the workers is no longer required for reasons beyond the control of the employer due to fire, or other Acts of God, such as frost, flood, drought, hail, etc. which makes the fulfillment of the contract impossible, and the RA so certifies, the employer may terminate the work order and return the worker to the place from which the worker, without intervening employment, came to work for the employer at the expense of the employer.

Employer will provide without charge all tools, supplies and equipment necessary to perform duties assigned.

Unless the employer has amended the date of need no less than ten (10) working days prior to the date of need through notice to the order holding office, the employer will guarantee one week's wages to all workers subject to this order beginning with the anticipated start date.

If the worker voluntarily abandons employment before the end of the job order period or is terminated for job related reasons or misconduct, the employer will not be responsible for providing or paying return transportation and subsistence expenses of the worker.

Employer agrees to maintain adequate and accurate payroll records. The employer will furnish to each worker on payday an itemized accounting of earnings and of all legal and authorized deductions. FICA and FUTA deductions will be made for individual workers as applicable.

Employer will provide workers' compensation at no cost to workers covering injury and disease arising out of and in the course of worker's employment. Proof of worker's

compensation insurance will be provided to Regional Administrator prior to certification date.

Item 12. Transportation

For workers who complete 50 percent of the work period, the employer will reimburse the worker for costs incurred by the worker for transportation and reasonable subsistence from the place from which the worker came to work for the employer to the place of employment. Subsistence will be in accordance with current rates published in the ***Federal Register*** (for workers with and without receipts.) The amount of the reimbursement for transportation shall be the worker's actual cost, but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

If the worker completes the period of employment, the employer will provide or pay for the worker's transportation and reasonable subsistence from the place of employment to the place from which the worker came to work for the employer, except when the worker has accepted subsequent employment with another employer who agrees to accept the return transportation costs, in which case this employer only pays for the transportation to the next job.

For the purposes of the above requirements the "period of employment" shall be the period from the first workday the worker is at the employer's farm and is ready, willing, able and eligible to work until the anticipated ending day of employment in Item 6.

Reimbursement of inbound and return transportation costs applies only to persons recruited from outside normal commuting distance (to and from their permanent place of residence each day; see page one). Return transportation will not be provided to workers who voluntarily abandon employment before the end of employment period or who are terminated for cause.

The employer will provide transportation at no cost to the worker from the employer provided housing to the worksite and return on a daily basis. Such transportation shall be in accordance with applicable laws and regulations. The use of this transportation is voluntary; no worker will be required as a condition of employment to utilize the transportation and subsistence if applicable.

If the services of the worker are no longer required for reasons beyond the control of the employer due to fire or other acts of God such as frosts, flood, drought, hail or the like which makes fulfillment of the work period impossible and Regional Administrator so certifies, the employer will provide reimbursement for transportation and daily subsistence from the place of recruitment for covered employees.
